Dear Jo-Ann,

Did you know, that it was because of the generosity of Alan Shawn Feinstein that the Rhode Island Mentoring Partnership was formed? Mr. Feinstein is continuing to support the youth we serve with this special offer! The Feinstein Foundation partners to provide Junior Scholar Cards for caring mentees in grades K-6.

Who is a Feinstein Mentor? You are! As a member of the RI Mentoring Partnership’s statewide network of mentors, you are a valued Feinstein mentor! It is through Mr. Feinstein’s generosity and vision that RIMP was able to start this statewide initiative in 1999 that helped the number of mentor/mentee matches across the state grow from 300 to over 5,000 mentor/mentee matches!

What are the benefits of being a Feinstein Mentor? Your mentee can be a Feinstein Junior Scholar and earn a Feinstein Junior Scholar Card. The card will entitle your mentee to free admission for themselves and an adult at Mystic Aquarium, Battleship Cove, Bank of America Skating Rink, the Children’s Museum, and other places, too! And they will receive preference if they apply for the Feinstein College Scholarship.

What is a Junior Scholar? Your mentee CAN BE! Your mentee must be in grades K-6. You and your mentee must review the commitment on the Junior Scholar Card and your mentee must live up to his or her pledge to do good deeds for others. Simply check with your mentee’s school to see if they already participate in this program and if they don’t, just let your program coordinator know. We will send your program coordinator the number of cards they need.

Yes We Can!

Be the Change! Mentor a Child!

Sincerely,

Team RIMP

Jo-Ann and the rest of the Team!
Be the Change: Mentor a Child.

Our philosophy is simple: when we invest today in expanding our community’s capacity to mentor our youth, we will see an incredible return in the lives of our children and the health of our communities for generations to come.
