

MENTOR
RHODE ISLAND

Dear Jo-Ann,

CELEBRATE NATIONAL MENTORING MONTH!!!

January is National Mentoring Month and there are some easy ways to stay involved and spread the message of mentoring over the next few weeks. As well as some important dates to remember...

This year we are continuing with the **In Real Life** theme. In Real Life focuses on the real life benefits of mentoring to young people, as well as the life-changing stories shared by mentors and mentees. **Anytime you talk about mentoring on social media don't forget to add #MentorIRL to your post.**

All National Mentoring Month graphics including pictures, badges, info-graphics and special date-specific graphics (more on that in a minute), are available for [download here!!!](#)

You can **use these graphics in social media posts, as your facebook or twitter profile pictures**, or in any other way you'd like to promote mentoring.

We'd love to have you engage with our posts during the month as well. **Comment, Share, & Re-tweet liberally.**
