

Dear Jo-Ann,

We'd Like Your Help!!!

Because you already care about the future of our children, we have decided you would be the best candidates to help us with a **new platform that is being launched in Rhode Island.**

It is called **Community Share** and it is a place for teachers to connect with people in the community who want to give back and expand classroom learning opportunities.

Teachers are looking for community members to:

1. Be a Guest Speaker
2. Host a Field Trip
3. Judge a Student Competition
4. Participate in Career Day
5. Collaborate on a Class Project
6. Provide Hands-on Demonstrations

7. Become a Mentor

In Rhode Island, **our goal is to start with 100 registered users on the platform.** We are in the pilot stages so we are "stocking the pond" to give teachers the opportunity to "fish" for opportunities to help their students learn through real world examples.

Won't you please be among the inaugural users of this platform?

To sign-up to be a part of Community Share please **click on the link** below and follow the instructions:

At this moment, we are just getting people to sign-up as community members. Soon we will have teachers signing up to request your help. **You may not be contacted at all and that's okay.** It is just good to know that teachers will have a wide range of people to choose from that fit with what they are looking for to enhance the education of their students.

If you have further questions, please reach out to:

Thank you for continuing to make a difference for our children and the community!

Sincerely,

The MENTOR Rhode Island team:
