

SUICIDE: SCREENING, PREVENTION, AND RESPONSE

Lifespan

Delivering health with care.®

MENTOR
RHODE ISLAND

**The first step in effective suicide prevention
is to identify someone in need of help.**

Participants will learn to administer the Columbia Suicide Severity Rating scale and learn about statistics on suicide, risk factors, warning signs, and myths about suicide.

**Join Presenter Kim Lafountain, LMHC
Behavioral Education Development Specialist
Bradley Hospital**

Log On Monday, May 24th from 1-3pm EST
